**\*All times are subject to change without notice\* Call 585-786-2880 to verify**

**Prime Time:** Child watch is available during all group exercise classes for our Family membership holders. Contact the front desk for more information on that program.

## **Class Descriptions**

### **Cycling**

An instructor-led cycling workout on a specialty designed Trixter stationery bike. This high energy, low impact class will guide you up hills, through trails and racing over a flat road as you control the intensity of the ride!

### **ZUMBA®//Latin HipHop/Z-Tone**

A fusion of Latin and international music themes that create a dynamic, exciting and effective fitness workout. A combination of fast and slow rhythms tone and sculpt the body and burn calories the fun way! \*\*z-Tone incorporates light weights

### **Ageless Fitness**

Multi-level exercise that includes a variety of exercises and equipment. Must bring a sense of humor for fun and laughs.

### **Interval/Sculpt**

Varying cardio levels helps you burn the most calories! This class will burn your weekend calories and give you strong muscles!

### **Cardio Fusion**

This class combines cardio and strength moves that sculpt and tone the entire body. This class incorporates a variety of equipment to provide a workout that is effective and fun!

### **Yoga**

This class is an energetic program that strengthens and connects mind, body and spirit to improve flexibility and strength.

### **Reach**

Seated stretch class, relaxes your mind and body while stretching. You can expect increased flexibility, balance and range of motion.

### **Chisel and Sculpt**

Exercise designed to focus on both muscles and bones. Classes may include toning, firming and flexibility, performed with or without weights/resistance, for the purpose of improving muscular strength and endurance.

### **SilverSneakers®**

Fun and movement to music through a variety of exercises designed to increase muscle strength, range of movement and activity for daily living. Hand held weights, tubing with handles and a ball as well as a chair for seated and standing movements.

### **Suspension Training**

This form of resistance training is a complete body work out that will tone your body and improve your balance. Suspension training is a small group workout that will use your body for resistance and leave you feeling strong.
